

YES

Overview

Who Are We?

Youth Employment Services YES is the Canadian youth employment training, programming, and job placement leader and we serve tens of thousands annually with a close to 90% success rate. YES created youth employment services in Canada in 1968 and has since helped hundreds of thousands of youth, many disadvantaged, directly and millions indirectly. Further, employment is a social determinant to health, so the long term impact is enormous. YES trains and replicates our successful practices with partners and employment agencies across Canada, creating a stronger nation and changing lives...forever.
